

# New interactive eBooks available in your school's MackinVIA portal!

<https://www.mackinvia.com/>

Enrich your digital citizenship curriculum with these quality interactive eBooks as students are helped to make good decisions in an online environment.

Students may login to MackinVIA using the same building-specific username & password that they use for Iowa AEA Online resources. The exception to this would be if students have individual backpacks set up within MackinVIA.

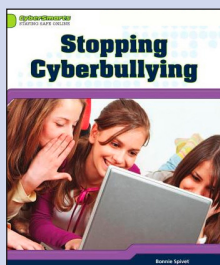

## Grades 3-6

This unique collection of five interactive eBooks with learning simulations gives students hands-on experience in navigating the online world in a safe, controlled environment.

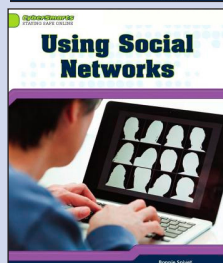

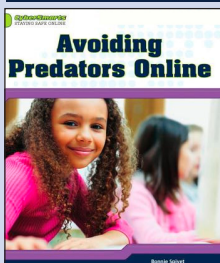

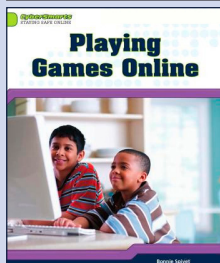

Easy to use with a group or individually, these interactive eBooks can be projected on a whiteboard or viewed on individual student computers.

### Titles Include:

*Guided simulations safely teach elementary students to:*

- Create a username
- Choose an avatar
- Chat
- Send messages & emails
- Create profiles
- Receive & respond to "friend" invitations

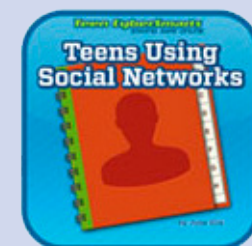

## Grades 7-10

The upper level companion uses the same innovative learning environments to teach teens the ins and outs of online safety and privacy.

Guided simulations use texting, email, and chat to teach users to safely manage their online identities. Multiuser, unlimited use. Instructional tools also available.

### Titles Include:

### Users learn to:

- Create a safe online profile
- Maintain a positive online presence
- Deal with cyberbullying
- Manage online privacy
- Select smart usernames, passwords, and more
