

# Sensory Chart

A sensory chart can help you think about details that can be seen, heard, smelled, tasted, or felt.

- Fill in each box.
- Use some of the sensory details in your writing.

<b>See</b>	
<b>Hear</b>	
<b>Smell</b>	
<b>Taste</b>	
<b>Feel</b>	

# Example Sensory Chart

<b>See</b>	Crowds filling the streets, man with sledgehammer, East Berlin, brother ahead of crowd
<b>Hear</b>	Sledgehammer whacks, bricks cracking, gravel crunching, crowd cheering, brother calling out
<b>Smell</b>	Crisp autumn day, sweat, cigarette smoke
<b>Taste</b>	Water from plastic bottles, crackers passed to workers on the wall
<b>Feel</b>	Heavy hammer, rough bricks, cold wind
