

Transition from Part C to Part B

Central Rivers AEA ensures a smooth and effective transition for children receiving Early ACCESS/IDEA Part C services through a written Individualized Family Service Plan (IFSP), Part C to Part B services.

The agencies responsible for providing transition from Early ACCESS services for children birth to 3 to Part B services for children 3 to 21 years of age consist of the Iowa Department of Education, the AEA, and its local education agencies (LEAs) in collaboration with the Iowa Departments of Human Services, Public Health, and Child Health Specialty Clinics.
